RE: Future Fund Progress Report #2

DATE: August 16, 2025

This is a status report to bring you up to speed on where the Twelve Step House is with respect to capital repairs and its fundraising efforts to enable it to pay for those repairs. The Twelve Step House signed a contract for the replacement of the roof on Friday June 20, 2025. The roofer the Twelve Step House contracted with has advised that the permitting process is in progress and we are waiting for final approval by the City of Fort Lauderdale.

On Sunday September 21, 2025, at 12:30 pm there will be a general meeting of the members at the Twelve Step House. You may join the Twelve Step House as a member and participate in the meeting by making arrangements to pay your dues with the counter, either monthly or with a single payment. At the meeting Mike W. will talk about the history of the Twelve Step House and the role it has played in Broward AA.

The Twelve Step House would like to thank everyone who has contributed to the Future Fund which is making these repairs possible. A list of contributors may be found by clicking the donation page button on the future fund page of the website (<https://twelvestephouse.com/future-fund>), and scrolling down to find the "View all donors" button.
